

Family Testimonials

Phyllis has made a huge difference in my husband. He told me that "she is the BEST person next to me!" With him

having Parkinson & Dementia, she helps him maintain as much of his independence as possible and does it in such a graceful manner. We absolutely love her...thank you!

Molly S., Summerville, SC

Services are going very well with your agency and we greatly appreciate it. Amelia is "superb" and I could not ask for a better CAREgiver for my wife
